- II. **Report on FBI Audit / Telephone Conference / Meeting with ALEA**
Mrs. Taunton reported to the Board the events regarding the recent FBI audit on the Alabama Electronic Security Board of Licensure (AESBL). The AESBL was found to be out of compliance on several issues. A teleconference was conducted at the Office of the Attorney General. Present were: Mrs. Taunton, Sheriff Derrick Cunningham, Ms. Bettie Carmack, Ms. Janet Robinson, and Ms. Kathy Slay. Those present spoke to members of the FBI regarding the recent audit. FBI personnel includes: Rebecca Phillips and Toby Nice. The non-compliance issues center on policies not in place between the AESBL and the out-sourced administrative services with RT Management, Inc. A later meeting was

held at the offices of the Alabama Law Enforcement Agency (ALEA). Present at this meeting on Monday, March 7, 2016, were: AESBL Chairman John Orr, Mrs. Lynne Taunton, Ms. Bettie Carmack, Ms. Janet Robinson, and Ms. Kathy Slay. ALEA personnel included: Angela Washington (Auditor/Compliance Field Specialist) and Tracy Townsend (ACJIC Coordinator). This meeting was requested by Ms. Carmack in order for the AESBL and RT Management, Inc., to be proactive in regard to compliance with audit findings. Mrs. Washington and Ms. Townsend presented information needed for putting written policy procedures in place between the AESBL and RT Management, Inc. They informed those present that there is a 90 day grace period to come into compliance. All information was presented to the Board.

III. Review of Notes from Telephone Conference with FBI:

Ms. Bettie Carmack submitted detailed notes to the Board regarding the meeting with personnel from the FBI. The Board Members reviewed the notes presented. Three key issues contained in the notes are: (1) Criminal History Report Information (CHRI) cannot be disclosed to anyone other than the recipient. No mention can be made to an employer about denial due to specific criminal activity; (2) Delegation of duties between the Authorized Recipient (the Board) and the Contractor (RT Management, Inc.) must be clarified and strengthened. The Board must have a more active part in dissemination of CHRI; (3) The Board must enact strict policies between it and the Contractor. These policies must be in writing.

IV. Review of Contracts:

The Board Members reviewed the contract between RT Management, Inc., and the Alabama Electronic Security Board. It was suggested that language be added to the current contract to specifically indicate the agreement regarding the outsourcing of CHRI from the Board to the Contractor. Both the former contract between the AESBL and Alabama Public Safety (ABI) and the currently adopted contract between the

AESBL and the Alabama Law Enforcement Agency (ALEA) were included for comparison but not reviewed. Per Angela Washington with ALEA, the current contract is null and void, and a new one will be issued.

V. Review of ALEA (ABI) / FBI Materials:

Additional information was provided and reviewed. These items were discussed in the overview given by Mrs. Taunton at the beginning of the meeting.

VI. Example of Contract between Private Company and ALEA:

Included was a sample template of a possible contract that could be used between RT Management, Inc., and ALEA. At the March 7, 2016, meeting, Angela Washington informed those present that ALEA could provide sample templates of all items required.
